

## GMP Inspector

**Grade:** A1/A2

**Salary:** from €5536 (Grade A1) or €7074 (Grade A2) per month (gross)

**Location:** Strasbourg (France)

**Reference:** Vacancy Notice n° e39/2024

**Deadline for applications:** 27/8/2024

Do you have the right mix of excellent scientific and analytical skills, together with the ability to interpret and assess complex regulatory and Good Manufacturing Practices (GMP) requirements? Do you also have strong interpersonal and communication skills, and the ability to interact professionally with diverse stakeholders at all levels? Are you willing to travel frequently to Asia to inspect active pharmaceutical ingredient manufacturing sites? Would you like to contribute to the activities of an international organisation working for human rights, democracy and the rule of law? If so, our job advertisement may be the right opportunity for you.

**Let's work together for better health, for all!**

As a GMP Inspector in the Certification of Substances Department (DCEP), you will:

- regularly prepare and carry out inspections of manufacturing facilities to assess compliance with GMP and the relevant application for a Certificate of Suitability to the monographs of the European Pharmacopoeia (CEP), mainly in Asia;
- draft and edit inspection reports; communicate with companies on inspection findings; advise on necessary actions in the event of a public health risk;
- follow up on actions, including evaluating the effectiveness of corrective actions implemented by manufacturers to address deficiencies identified during inspections; monitor progress and work according to established timelines;
- collaborate with inspectors from national supervisory authorities and other international organisations;
- draft and review proposals for technical guidelines and policies prior to submission to the relevant groups;
- promote the work of the Department and the EDQM by participating in conferences, seminars, webinars and/or international working groups in the area of GMP.

**What we offer:**

- International Working Environment
- Flexible Working/Teleworking
- Holidays, wellbeing and work-life balance
- Private Health Insurance
- Sustainable working environment
- Attractive tax-free salary
