

► NUMBER OF PARTICIPANTS

The number of participants is limited to 300. Active participants and members of the division will be preferentially registered.

► CONFERENCE PROGRAM

The final program will be available from Mai 2013. For a printed version please contact the conference secretary. A digital version will be available via:

www.gdch.de/bauchemie2013

► SOCIAL PROGRAM

Berlin is the capital of Germany and an exciting city of contrasts. Berlin can be explored in a countless variety of historical and modern attractions with plenty of cultural events. An attractive social program, including welcome reception, get-together with exhibitors, guided tours, and conference dinner will accompany the scientific program, allowing ample space for interactions among the conference participants.

More information about the city can be explored on the official web site of Berlin: www.berlin.de. More details on the social program will be given in the program in May 2013.

► ACCOMMODATION

Berlin offers a very good public transport system and you have different connections to the conference location. You can choose from a plenty of hotels within the city, but there are also reserved accommodations near the conference location. You will get more information with the program in May 2013.

► INFORMATION ABOUT THE SCIENTIFIC PROGRAM

Prof. Dr. Dietmar Stephan
Technische Universität Berlin
Department of Civil Engineering
Building Materials and Construction Chemistry
Gustav-Meyer-Allee 25 / TIB1-B4
13355 Berlin
Germany
Phone: +49 30 314 72100
E-Mail: stephan@tu-berlin.de

► LOCAL ORGANIZATION

Cathleen Hörner
Phone: +49 30 314 72101
Fax: +49 30 314 72110
E-Mail: info@baustoffe.tu-berlin.de

► CONFERENCE SECRETARY

GESELLSCHAFT DEUTSCHER CHEMIKER e.V.
Postfach 90 04 40
60444 Frankfurt am Main
Germany
Phone: +49 69 7917-366 (Claudia Birkner)
E-Mail: tg@gdch.de
Internet: www.gdch.de/tagungen

Executive director: Professor Dr. Wolfram Koch
Registered charity no: VR 4453 · Registergericht Frankfurt am Main

GESELLSCHAFT DEUTSCHER CHEMIKER

Fachgruppe Bauchemie
Chemistry of Construction
Materials Division

1st International Conference on the Chemistry of Construction Materials

October 7–9, 2013
Berlin, Germany

Technische Universität Berlin

www.gdch.de/bauchemie2013

The Chemistry of Construction Materials Division of the German Chemical Society (Fachgruppe Bauchemie in der Gesellschaft Deutscher Chemiker e.V. – GDCh) is inviting for the

1st International Conference on the Chemistry of Construction Materials

October 7-9, 2013 in Berlin, Germany

► **CONFERENCE LOCATION**

Technische Universität Berlin
Department of Civil Engineering
Building Materials and Construction Chemistry
Gustav-Meyer-Allee 25
13355 Berlin
Germany

► **AIM OF THE CONFERENCE**

The conference aims at providing an inspiring forum for scientists from university, research facilities and industry to present results, to discuss and to focus on the forthcoming challenges.

Interdisciplinary presentations in all fields of construction materials science will show the many different perspectives of the topic.

► **SCIENTIFIC COMMITTEE**

N. de Belie	Gent/BE
J. Brouwers	Eindhoven/NL
R. Flatt	Zürich/CH
F. Götz-Neunhoffer	Erlangen/D
H. Motzet	Rosendahl/D
A. Nonat	Dijon/F
J. Pakusch	Ludwigshafen/D
U. Peter	Nivelles/B
H. Pöllmann	Halle/D
J. Provis	Sheffield/UK
N. Schröter	Frankfurt am Main/D
J. Skibsted	Aarhus/DK
D. Stephan	Berlin/D

► **MAIN FOCUS OF THE CONFERENCE**

The conference will follow the successful format of the previous national meetings with a broad subject in all fields of the chemistry of construction materials. Researchers from university and industry are welcome to give presentations. The conference topics include:

- Sustainable construction materials
- Dry-mix mortar technologies
- Adhesives, sealants and coatings – chemistry & application
- Chemical admixtures – innovation & application
- Surface functionalization – macro & micro
- Nanostructured construction materials
- Construction materials and health
- Mechanical properties and durability
- Analytical and mechanical methods

► **PROCEEDINGS**

All contributions (poster and oral presentations) will be published as conference proceedings.

► **ABSTRACT SUBMISSION**

The Scientific Committee cordially invites you to submit scientific contributions to the 1st International Conference on the Chemistry of Construction Materials. Please submit abstracts through our website:

www.gdch.de/bauchemie2013

Please adhere to the guidelines for abstracts on the web site. An abstract template for submission of contributions will be provided for authors. No revision or correction will be made by the editorial team. The Scientific Committee reserves the right to accept or reject papers, and to assign them to oral or poster sessions.

Deadline for oral presentations: 15th of Jan. 2013
Deadline for poster presentations: 15th of Jan. 2013
Deadline for last-minute poster: 15th of Sept. 2013

► **SCHOLARSHIP**

The Chemistry of Construction Materials Division awards a limited number of scholarships to PhD students and other research fellows who are member of the division. An active contribution (oral presentation or poster) to the conference is required.

Applications have to be submitted until **1st of July 2013** to Mrs. Ulrike Bechler (u.bechler@gdch.de).

More information is available here:

www.gdch.de/bauchemie
