

# Shaping the Molecules of Life: Chemical Biology of Nucleic Acid and Protein Modifications – Meeting of the Biochemistry Division

GUIDELINES FOR POSTER AUTHORS: INSTRUCTIONS FOR POSTER PRESENTATIONS
--

## Poster-Size      Portrait A0

Height: 118.9 cm, width: 84.1 cm

Each poster board has got a number.

Materials to mount the posters will be available at the conference office.

Please do not print on the poster board.

## Poster Format:

Your poster should have a Title, Author(s) name, Institution (to be placed at the top of the poster area, the size of the letters should be minimum 25 mm).

The letters should be 1 cm high and graph lines should be 1mm minimum.

Poster(s) should be readable at a distance of at least 2 meters.

## In General:

Because of the reason that “Shaping the Molecules of Life: Chemical Biology of Nucleic Acid and Protein Modifications” is an international meeting we may ask you to present your poster in English.

Posters should be intelligible in themselves, even in the absence of the authors and without a study of the abstract.

Please structure your poster as follows:

- 1) Title, Author(s), Institution
- 2) Introduction  
Background information, purpose of study
- 3) Results
- 4) Discussion and Conclusion  
An interpretation of the results and their significance

Copies of a summary of your work or copies of the poster should be posted in the upper left hand corner of the poster board.

## Poster Session

All posters will be presented during the whole symposium. The poster author is requested to be at his poster at the scheduled poster session:

Wednesday, July 6, 2016      from 19:00h.

Time to mount the poster:	Wednesday, July 6, 2016	until 13:00
Time to remove the poster:	Friday, July 8, 2016	after 13:00

Poster's which will no be removed in time will not be stored or mailed to the authors.
