In general, the prize winners should have some connection to medicinal chemistry/drug research in Germany.

Two prizes, each endowed with € 2000, will be awarded at the 128th Assembly of the Association of German Natural Scientists and Physicians (GDNÄ) in Mainz/Germany in September 2014. The prize winners will give a lecture on their scientific work.

Proposals should consist of a letter in support of the nomination (self-nominations are welcome), a curriculum vitae, and a list of publications.

Please submit your nomination by **30 April 2014** to
