

**Tabelle 22. Biochemie/Life Sciences: Kumulative Promotionen**

| Hochschule               | kumulative Promotion möglich |
|--------------------------|------------------------------|
| Bayreuth                 | ✓                            |
| Berlin FU                | ✓                            |
| Bielefeld                | ✓                            |
| Bochum                   | ✓                            |
| Braunschweig             |                              |
| Bremen Constructor Univ. | ✓                            |
| Darmstadt                | ✓                            |
| Dortmund                 | ✓                            |
| Dresden                  |                              |
| Düsseldorf               | ✓                            |
| Frankfurt Main           | ✓                            |
| Freiburg                 |                              |
| Göttingen                |                              |
| Greifswald               | ✓                            |
| Halle                    | ✓                            |
| Hamburg                  | ✓                            |
| Hannover                 | ✓                            |
| Hannover, Life Science   | ✓                            |

| Hochschule     | kumulative Promotion möglich |
|----------------|------------------------------|
| Heidelberg     |                              |
| Ilmenau        |                              |
| Jena           |                              |
| Kaiserslautern |                              |
| Karlsruhe      |                              |
| Kiel           | ✓                            |
| Konstanz       |                              |
| Köln           | ✓                            |
| Leipzig        | ✓                            |
| Lübeck         |                              |
| München LMU    | ✓                            |
| München TU     | ✓                            |
| Potsdam        |                              |
| Regensburg     | ✓                            |
| Tübingen       | ✓                            |
| Ulm            | ✓                            |
| Würzburg       | ✓                            |
